RE: AAZTEC ASSOCIATES LTD.

To whom it may concern.

I have dealt with Aaztec for over 10 years during which time the quality of their workmanship and service is beyond excellent.

No matter what project is undertaken the professional and efficient organisation always leads to a perfect end product.

I cannot praise Aaztec highly enough as in 10 years I have never had a customer complaint made against their workmanship or conduct of operatives.

Other projects successfully undertaken were changing room refurbishments at:-
Kirkstall Liesure Centre.
Scott Hall Leisure Centre.
Aireborough Leisure Centre.
Bramley Baths.

Yours faithfully,

George Hartley.
